OFFICIAL RETURN POLICY.

Hot Sun sales through our web site are customized packages shipped at our cost. We incur costs including freight to get goods to you. Our official return policy on shipped goods is that all sales are final. In special circumstances we may at our discretion agree to accept returns with or without a re-stocking fee depending on circumstances but in all cases the cost of freight both ways must be borne by the consumer. We will strive to be understanding and fair in all transactions.

Sincerely,
